

# CUSTOM CUTTING BOARDS

## CUSTOM POLY CUTTING BOARDS

Our poly cutting boards are made of High Density Polyethylene Plastic (HDPE) and are:

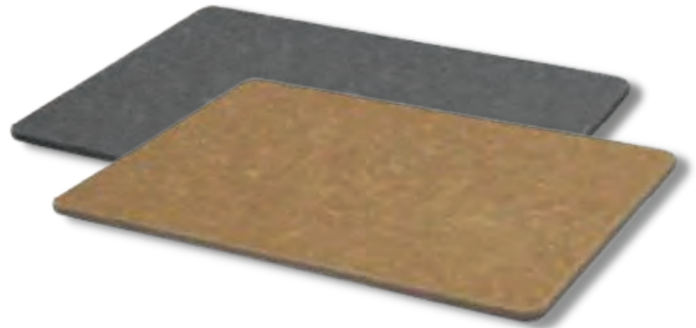

- Commercial Dishwasher Safe
- USDA, NSF, and FDA Approved
- Manufactured in the USA

## CUSTOM RICHLITE CUTTING BOARDS

Richlite cutting boards last up to three times longer than poly cutting boards. Our richlite boards are:

- Heat resistant up to 350 degrees
- Commercial Dishwasher Safe
- Bacteria, Stain, & Scratch Resistant
- NSF Approved
- Manufactured in the USA

## FINISHING YOUR CUTTING BOARD

We offer four different ways to finish poly and richlite cutting boards:

**Bullnose Edge, Rounded Corner**

**Bullnose Edge, Standard Corner**

**Standard Edge, Rounded Corner**

**Standard Edge, Standard Corner**
